# 2021 SURREY CHRISTMAS BUREAU APPLICATION

Hello and welcome to the new online Surrey Christmas Bureau registration system. This system has been put into place to eliminate the need for long line ups and protect our clients, staff and volunteers during these uncertain COVID19 times. We have worked hard to make this application as simple as possible. You can use your smartphone or a computer to apply. Please note the instructions to have photos or scanned copies of the required documentation ready, that will make this process very simple for you. You can stop and save and return to your application at any time. The best part of this system .... NO LINE UPS!!! Wooo hooo! You can apply safely from home.

Once approved, you will be notified via email and provided an appointment time to pick up your toys and hamper. If you opt to participate in the Adopt a Family program, you will be notified as soon as you are matched.

If you have questions or need help, please EMAIL us at [coordinator@christmasbureau.com](mailto:coordinator@christmasbureau.com), if it is a technical issue and you are able to attach a screenshot of the issue, that would be very helpful.

Thank you for your patience as we all navigate this new system! We are determined to make sure everyone is able to have a very safe, healthy and Merry Christmas.

# SUMMARY OF TASKS

Here is a better look at all of the steps.

“Registration” is your basic information including your address, phone etc.

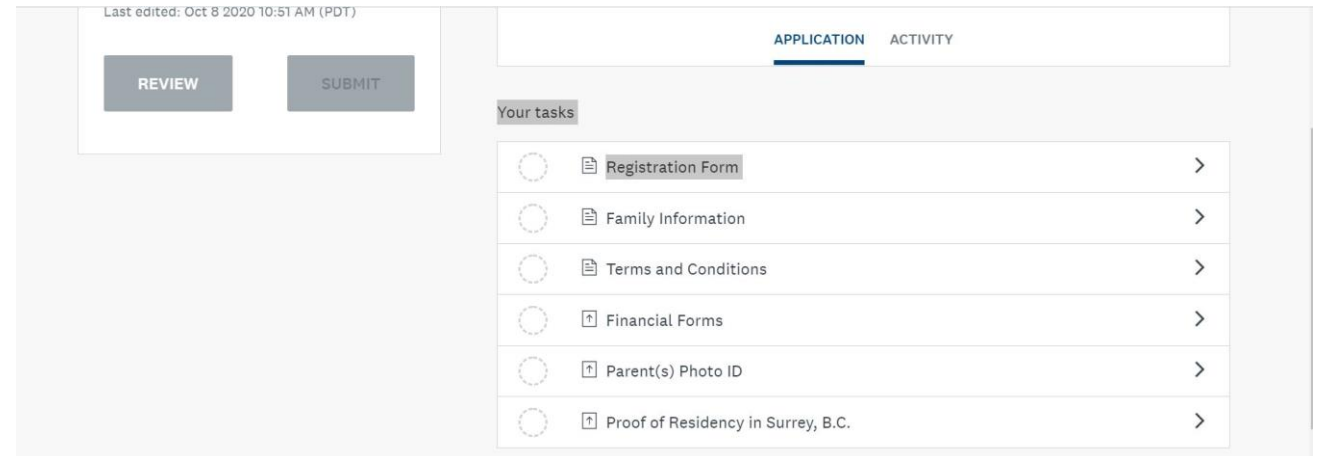

“Family Information” is where you will enter the names and ages of your children. We also have a field for any toy preferences or special needs. **PLEASE BE SPECIFIC about your child’s toy wish list!** Due to the ongoing pandemic we have very limited volunteer capacity and will likely have to pre pack Toy Hampers. The more we know about what kinds of toys your child likes, the better our elves can do to make those dreams come true!

The “terms and condition” page is self explanatory.

The “Financial Forms” page is where you will upload photos of your pay stubs, confirmation of assistance, etc. Have those ready!

“Parent’s Photo ID” upload a photo of your government issued ID – this must be the SAME ID you will bring to your pick up appointment.

“Proof of Residency” is where you will upload a photo of a bill, such as a utility bill, showing your registered address in Surrey.

# REGISTRATION PAGE

This is the first “task” you will see. Simply fill out all of the fields as listed.

# THANK YOU!!

- We understand this is a new system and we ask for your cooperation and patience as we all navigate the new processes together.
  - PLEASE BE SPECIFIC when adding your children's toy wish lists! Due to the ongoing pandemic we have very limited volunteer capacity and will once again have to pre pack Toy hampers. Our elves will work very hard to find that perfect toy for your child, but we need to know what you are looking for. Tell us what your child's interests are, if there is a specific toy we will do our best to find it!
  - If you have questions, please email [coordinator@christmasbureau.com](mailto:coordinator@christmasbureau.com) for help. We have limited staff and volunteer capacity for telephone inquiries, email is the best way to reach out!
  - If you have an issue with the online system, it would be helpful if you could screenshot the area you are having difficulty with and email that to us as well. That will help us with a prompt and accurate response.
  - Once again .... this system is new and new things may seem hard at first, but it is actually a pretty easy system and best of all you do not have to line up for hours in the rain! Wooo hoo!
